A PERFUME THAT EXUDES THE WELLNESS, SENSUALITY AND MAGIC OF THE MEDITERRANEAN.

The eastern coasts of the Adriatic Sea and its thousands of islands are one of the favourite destinations of Elisa Gera, the soul of ACCA KAPPA. Here the land is stony and sun-drenched, the ideal place for Helichrysum, with its silver green leaves and yellow flowers. A magical, sharp and unique perfume. A gift of nature. It was here that Elisa was exhilarated by the originality and refined scent of this Mediterranean plants and chose to make it into a precious fragrance. From a bouquet of Helichrysum flowers, the masters of ACCA KAPPA perfumes have created GIALLO ELICRISO.
The desire to create an amenities product line is inspired by the range of Giallo Elicriso perfumes characterised by a refined fragrance. The product line is made up of four cosmetic products available in three different sizes, two wrapped soaps of 35 and 50 grams and five 380 ml dispensers. The cosmetic line Giallo Elicriso was specially formulated to be pleasant and delicate to the skin.
